

1. Take a snapshot of a bird in your backyard or out your window.  
**(Note: if you can't catch a good photo, draw or describe what you saw!)**
2. Find out what the common name is by using this guide  
<https://www.allaboutbirds.org/guide/#>
3. Also: find the genus/species name. Look at the example below:

Common Name (Blue Jay) Scientific Name (*Cyanocitta cristata* )

Work cited:
