

## **Pregnancy Interview**

v-sci

Contact a person that has experienced a pregnancy. This person may remain anonymous. After developing at least 10 questions involving the entire 40 weeks of pregnancy, interview this person by asking these questions. Discuss any complications that may have developed or any curious happenings. Remember to thank this person for sharing this valuable and very personal information.

Requirements:

Typed paper with questions and answers.

No 'yes' or 'no' questions!
